

1. What Terms and Conditions Apply to my Vodafone Mobile Broadband Business Plan Products?

- a) This document sets out terms and conditions that apply to specific Vodafone contracts and products (collectively, the “**Products**”).
- b) The terms and conditions that will apply to your Product or Products are:
 - i. all the terms and conditions provided to you when you agree to purchase a Product, including the terms and conditions contained in this document and any terms and conditions contained in any application form you complete when purchasing a Product; and
 - ii. all the terms and conditions contained in the Vodafone Standard Form of Agreement (**SFOA**), which is available at vodafone.com.au, (collectively, the “**Terms**”).
- c) When you agree to purchase a Product, you accept the Terms. Your contract with Vodafone commences on your acceptance of the Terms.
- d) Some Products have a minimum contract term. If your contract is terminated before the end of this term, you may be required to pay fees, such as an Early Exit Fee or a Handset Recovery Fee. Depending on the Product this may be in addition to any applicable handset payments and additional or excluded call, data or service costs. Early Exit Fees are set out in the pricing table for your Product.
- e) Activation of your Product may occur after your contract has commenced. Any minimum contract term that applies commences when your Product is activated.
- f) Vodafone’s Fair Use Policy applies to any unreasonable use of Products. This includes use of any “unlimited” or “infinite” offerings. See www.vodafone.com.au/aboutvodafone/legal/fairusepolicy
- g) The Terms may be changed by Vodafone from time to time. Vodafone will comply with relevant laws, regulations and industry codes if it makes any such changes.

- b) The Products referred to in the terms are only available on selected devices and handsets nominated by Vodafone.
- c) The Products are available to eligible and credit approved customers only with an ACN/ABN.
- d) Unless otherwise stated, only one Vodafone Mobile Broadband Business Product can be used per connection to our network.
- e) Devices may be locked to our network. A fee may apply to unlock.

Factors affecting availability and performance

- a) Network coverage and many other factors may affect the availability and performance of certain Products.
- b) Certain Products, services and functions are only available if used in conjunction with a compatible mobile or other device and if in a compatible coverage area. Not all devices are compatible with Vodafone networks.
- c) Broadband service: Some Vodafone 4G, 3G+ and 3G services are mobile broadband, internet, email, apps, downloading, video streaming and video calling. You can use Vodafone 4G if you have an eligible phone plan and have been switched over to the 4G network. To use 4G and 3G+ you'll also need a compatible device and be in a selected major metropolitan area. Outside these areas, you can still get Broadband Speeds in our 3G areas with the right device. To check this, make sure your device is compatible to the network zone you are in (U2100MHz, U850MHz or U900MHz). Remember that actual speeds you reach will vary depending on things like device capabilities, location & network congestion. Broadband Speeds not available in any 2G area. Actual speed achieved varies depending on factors such as device capabilities, location & network congestion. See vodafone.com.au/coverage for coverage. You agree to refer to vodafone.com.au/coverage for coverage details and vodafone.com.au/devicefrequency for details of devices and their frequencies before purchase, so that you can confirm that for your intended use of the services, your address/es are located in the appropriate Vodafone coverage areas and that the device you wish to select is compatible with the Vodafone coverage area where your address/es are located.
- d) The Terms contain details regarding device compatibility, network compatibility and availability relating to the "Vodafone" network. However, notwithstanding anything else in our contract with you, we may provide services to you using any telecommunications network we consider appropriate and that network will constitute "our network" for the purpose of the Terms. For more information about the "Vodafone" network, see vodafone.com.au/coverage.
