- (a) This document sets out terms and conditions that apply to specific Vodafone contracts and products (collectively, the **"Products"**).
- (b) The terms and conditions that will apply to your Product or Products are:
 - (i) all the terms and conditions provided to you when you agree to purchase a Product, including the terms and conditions contained in this document and any terms and conditions contained in any application form you complete when purchasing a Product; and
 - (ii) all the terms and conditions contained in the Vodafone Standard Form of Agreement (**SFOA**), which is available at vodafone.com.au, (collectively, the **"Terms"**).
- (c) When you agree to purchase a Product, you accept the Terms. Your contract with Vodafone commences on your acceptance of the Terms.
- (d) Some Products have a minimum contract term. If your contract is terminated before the end of this term, you may be required to pay fees, such as an Early Exit Fee or a Handset Recovery Fee. Depending on the Product this may be in addition to any applicable handset payments and additional or excluded call, data or service costs. Early Exit Fees are set out in the pricing table for your Product.
- (e) Activation of your Product may occur after your contract has commenced. Any minimum contract term that applies commences when your Product is activated.
- (f) You may suspend your contract for between 1 and 3 consecutive calendar months once during the minimum contract term. You will be charged a fee for each month if your contract is suspended. Your minimum contract term will be extended by the period of any suspension.
- (g) The Terms may be changed by Vodafone from time to time. Vodafone will comply with relevant laws, regulations and industry codes if it makes any such changes.

For more information, call Vodafone on 1300 650 410 or visit vodafone.com.au.

Factors affecting availability and performance

- (a) Network coverage and many other factors may affect the availability and performance of certain Products.
- (b) Certain Products, services and functions are only available if used in conjunction with a compatible mobile or other device and if in a compatible coverage area. Not all mobile devices are compatible with Vodafone networks.
- (c) All Vodafone services are subject to device capabilities and network limitations and availability. A compatible 3G device is required to access 3G services. Vodafone offers U2100Mhz, U850MHz and U900Mhz devices. Customers with devices that are U2100MHz or U2100/850MHz compatible but not U900MHz compatible will experience 3G coverage in metro and some regional areas (3G Mobile Broadband Standard Coverage area) and 2G (2.5G GPRS or 2.75G Edge) in all other coverage areas. For more information about these networks, see the coverage maps available at www.vodafone.com.au/coverage and www.three.com.au/coverage.

Data services

- (a) For Products that provide data access capabilities, a data session starts when you first connect to data services and ends when you disconnect from data services.
- (b) When using data services, some internet services, including web sites and email, may not be accessible.
- (c) Subject to your rights under the *Trade Practices Act 1974* or other relevant legislation, Vodafone does not make any warranty regarding any software or data provided or available to you in connection with data services, including with respect to how that software or data operates on your device or interacts with applications.

- (d) Unless otherwise stated, data usage is measured as the combination of both data you send (upload) and receive (download).
- (e) Included data as part of Vodafone Infinite Business Plan Products excludes data use when mobile phone is used as a tethered modem. Additional charges are applicable for tethering.

Rates and charges

- (a) Details of the rates and charges, including any minimum spends which apply to the Products are contained in the Terms. The minimum total cost over contract term is calculated by multiplying the minimum monthly spend by the contract term.
- (b) Many Products feature **“included value”**. Included value can be used to pay for many (but not all) services available from Vodafone. Included value is credited to you for payment of your minimum monthly spend.
- (c) If your usage of a Product exceeds your included value, or you use a service that is not payable from your included value, you will be charged an amount additional to your minimum monthly spend.
- (d) Unless otherwise stated, if you do not use all your included value in the relevant month, that included value is forfeited, is not refundable, and will not carry over into any other month.
- (e) Unless otherwise stated, the section of the Terms titled “Vodafone Rates: What is payable from my Vodafone Product’s included value?” specifies which services are or are not available to be paid from your included value and the rate at which additional services will be charged.
- (f) Each call charge is rounded up to the nearest cent before GST is included.
- (g) Unless otherwise stated, call usage is billed in blocks of 30 seconds for Vodafone Infinite Business Plan Products and Vodafone TalkBusiness Products and 60 seconds for Vodafone Business Cap Products. Usage is rounded up to the end of the current block.
- (h) All rates and charges are subject to change. Vodafone will comply with relevant regulations and industry codes with respect to such changes.

Billing

- (a) In your first bill, you will be charged your minimum monthly spend for the following month. Your first bill may also include a prorated amount from the date you connected to your first bill.
- (b) You may choose to purchase additional Products from time to time. Charges for these Products will be applied to your bill.
- (c) Paperless billing is the default bill delivery method for Vodafone customers. Vodafone will provide paper bills without charge to disabled or disadvantaged customers. Vodafone TalkBusiness 24 Month SIM Only Plan Contracts

Minimum Monthly Spend	24 month contract term minimum spend	Bonus One Off Bill Credit	Early Exit Fee
\$40	\$960	\$200	\$40 x remaining months on contract
\$60	\$1440	\$300	\$60 x remaining months on contract
\$80	\$1920	\$400	\$80 x remaining months on contract
\$100	\$2400	\$500	\$100 x remaining months on contract

The following terms and conditions apply to you if you purchase a TalkBusiness Product:

- (a) If you purchase a Vodafone TalkBusiness 24 Month Standard Plan Contract Product, any \$0 upfront or discounted mobile device offers are only available from Vodafone's selected mobile device range at the time that you agree to your contract and cannot be redeemed for cash or as a credit against your service costs with Vodafone. These mobile device offers are not available if you switch between contracts during the minimum contract term.
- (b) Vodafone TalkBusiness 24 Month SIM Only Plan Contract Products do not include any mobile device. You must supply or buy an appropriate compatible mobile device separately.
- (c) Your TalkBusiness Plan Product will include a specified number of minutes per month for standard national voice calls to mobiles on the Vodafone or 3 networks. If you exhaust your included minutes, further standard national voice calls to mobiles on the Vodafone or 3 networks will be charged at the rate for standard national voice calls (other networks), as specified in the section of the Terms titled "Vodafone Rates: What is payable from my Vodafone Product's included value?".
- (d) If your TalkBusiness Product includes Bonus Bill Credit, this credit will be used to pay for any charges that are payable on the applicable TalkBusiness Product. Bonus Bill Credit will be applied once, on the first bill for each eligible TalkBusiness Product, and Bonus Bill Credit will continue to be applied to each subsequent bill until the credit is exhausted. Bonus Bill Credit cannot be transferred to any other Product and cannot be redeemed for cash.
- (e) You can choose to include multiple TalkBusiness Products on your account. If you do so, all included TalkBusiness Products will appear on your bill, and you will be responsible for paying the usage fees and all other charges which are incurred for each of the TalkBusiness Products (including, but not limited to, excess usage charges and charges for excluded services such as content purchases).
- (f) If more than one TalkBusiness Product is included on your account, each TalkBusiness Product's included value will be added together to form one total included value for billing purposes. The included value will be then accessible by each TalkBusiness Product user on a first-in-first-served basis. This excludes the allowance of Vodafone to Vodafone or 3 standard national voice call minutes which are not capable of being shared amongst users.

- (g) You will be issued a Primary Account PIN. You must keep this Primary Account PIN confidential and must not disclose the Primary Account PIN to any other person, including those who are entitled to access other TalkBusiness Products connected to your account (if any). Doing so will compromise privacy across the entire range of TalkBusiness Products connected to your account (for example, the call records / usage information of each TalkBusiness Product may become visible and accessible by all other users of TalkBusiness Products in the group if the Primary Account PIN is shared). Disclosure of your Primary Account PIN may also compromise the security of sensitive information such as credit card details, and will allow those with access to the PIN to, amongst other things, add or change services connected to your account and/or purchase additional hardware.

Mobile Office

This table specifies the minimum monthly spend pricing and minimum contract term for the Vodafone Mobile Office Product:

Contract Term	Minimum Monthly Spend	Contract Minimum Spend	Early Exit Fee

- (b) If you chose to add the Mobile Office Product to your account, it must be provisioned on every TalkBusiness Product connected to your account.
- (c) You and the users of other Vodafone mobile telephones included on your account may make unlimited standard national voice calls to each other, and you will not be charged any additional usage fees for these calls. You will also receive unlimited voicemail retrievals and deposits within Australia.
- (d) You must remain connected to your Mobile Office Product for at least one month. Cancellation will take effect from the end of the month on which you tell us that you want to stop receiving your Vodafone Mobile Office Product. You will be billed until the end of that month.
