Prepaid and Postpaid Month to Month, Pay as You Go, 12 and 24 Month Standard Mobile Broadband Products

1. What Terms and Conditions apply to my Vodafone Prepaid or Postpaid Month to Month, Pay as You Go, 12 or 24 Month Standard Mobile Broadband Product?

(a) This document sets out the terms and conditions which apply to specific Vodafone contracts and products (collectively, the “Products”).

(b) The terms and conditions that will apply to your Product or Products are:

(i) all the terms and conditions provided to you when you agree to purchase a Product, including all the terms and conditions contained in this document and any terms and conditions contained in any application form you complete when purchasing a Product; and

(ii) all the terms and conditions contained in the Vodafone Standard Form of Agreement (**SFOA**), which is available at vodafone.com.au,

(collectively, the “**Terms**”).

(c) When you agree to purchase a Product you accept the Terms.

(d) Your contract commences on your acceptance of the Terms, however, for Postpaid Products, any minimum contract term which applies does not commence until your service is activated and for Prepaid Products, any credit expiry period does not start until you have recharged and activated your Prepaid account.

(e) The Terms may be changed by Vodafone from time to time. Vodafone will comply with relevant laws, regulations and industry codes if it makes any such changes.

For more information, call Vodafone on 1300 650 410 or visit vodafone.com.au.

2. Postpaid and Prepaid Products, and the Terms

(a) Vodafone customers can purchase both “Prepaid Products” and “Postpaid Products” from Vodafone. These Product types are explained in this section.

(b) “Prepaid Products” are purchased entirely in advance, and provide you with a specified amount of credit that you can use on Vodafone Products and services.

(c) “Postpaid Products” are purchased by issuing you with a bill for Vodafone Products and services that you have already used, or that you have agreed to pay a specified regular amount for. Postpaid Products are usually (although not always) wholly or partly paid in arrears.

(d) The Terms that apply to you vary depending on whether you purchase a Prepaid Product or a Postpaid Product.

3. Important Things You Need to Know

Availability (Prepaid Products and Postpaid Products)

(a) The Vodafone contracts and products referred to in the Terms (**Products**) are for personal use only, and are not available to medium to large business/corporate and commercial customers. Medium to large business/corporate and commercial customers should contact Vodafone for information about Vodafone’s business products.

(b) The Products referred to in the terms are only available on selected devices and

handsets as nominated by Vodafone.

(b) The Products are available to eligible customers and, for Postpaid Products, credit approved customers, only.

(c) Unless otherwise stated, only one Vodafone Product can be used per connection to our network.

(d) Vodafone's Fair Use Policy applies to all Vodafone Products.

(e) Devices may be locked to our network. A fee may apply to unlock.

Factors affecting availability and performance (Prepaid Products and Postpaid Products)

(a) Network coverage and many other factors may affect the availability and performance of certain Products.

(b) Certain Products, services and functions are only available if used in conjunction with a compatible device and if in a compatible coverage area. Not all devices are compatible with our network.

(c) All Vodafone services are subject to device capabilities and network limitations and availability. A compatible 3G device is required to access 3G services. If you have a *modem* which is U2100MHz or U2100/850MHz compatible but not U900MHz compatible you will experience 3G coverage in metro areas (Vodafone 3G Mobile Broadband Standard Coverage area and, if available for your modem, the Vodafone 850 Mobile Broadband Coverage area) but no coverage at all in other areas of Australia (i.e. no coverage in Vodafone's 3G Mobile Broadband Regional Coverage area). Broadband speeds and high bandwidth applications, such as video streaming and full track downloads, are only available in Vodafone's 3G Mobile Broadband Standard Coverage area; and, if you have a U850MHz compatible device, in Vodafone's 850 Mobile Broadband Coverage area; and, if you have a U900MHz compatible device, Vodafone's 3G Mobile Broadband Regional Coverage area (however speeds in Vodafone's 3G Mobile Broadband Regional Coverage area will be slower than when in Vodafone's 3G Mobile Broadband Standard Coverage area or, if available for your device, Vodafone's 850 Mobile Broadband Coverage area). You agree to refer to

www.vodafone.com.au/coverage for coverage details and vodafone.com.au/devicefrequency for details of devices and their frequencies before purchase, so that you can confirm that for your intended use of the services, your address/es are located in the appropriate Vodafone coverage areas and that the device you wish to select is compatible with the Vodafone coverage area where your address/es are located.

(d) The Terms and brochures describing Products contain details regarding device compatibility, network capability and availability relating to the "Vodafone" network. Notwithstanding anything else in our contract with you, we may provide services to you using any telecommunications network we consider appropriate and that network will constitute "our network" for the purpose of the Terms, including (but not limited to) the "Vodafone" networks operated by, for or on behalf of Vodafone Network Pty Limited and Vodafone Australia Pty Limited and the "3" network operated by, for or on behalf of Vodafone Hutchison Australia Pty Limited. For more information about these networks, see the coverage maps available at www.vodafone.com.au/coverage and www.three.com.au/coverage

(c) When using data Products, some internet services, including web sites and email, may not be accessible.

(d) Subject to your rights under the *Competition and Consumer Act 2010* or other relevant legislation (including the *Australian Consumer Law*),, Vodafone does not make any warranty regarding any software or data provided to you, including with respect to how that software or data operates on your computer or interacts with your other applications.

(e) Unless otherwise stated, data usage is measured as the combination of both data you send (upload) and receive (download) over our network.

Data service access devices (Prepaid Products and Postpaid Products)

(a) It is your responsibility to confirm that data service access hardware (including any Modem or Pocket WiFi™ 2 device) is compatible with each PC, laptop or other computing device that you will use your Product with (if appropriate).

(b) Non-Vodafone supplied USB Modems or Tablet devices can only work on our network if they are compatible, unlocked, and have not been reported as lost or stolen devices.

(c) Vodafone is not required to provide you with technical support if you use non-Vodafone supplied data service access hardware (such as your own USB Modem or Tablet device), although Vodafone may do so at its discretion.

(d) The Pocket WiFi™ 2 device can operate with a maximum of 5 WiFi enabled devices at any one time.

Rates and charges (Postpaid Products only)

(a) Some Products have a minimum contract term. If your contract is terminated before the end of this term, your services will end and you may also be required to pay fees, such as an Early Exit Fee or a Handset Recovery Fee. Depending on the Product this may be in addition to any applicable handset or device payments and additional or excluded call, data or service costs. Early Exit Fees are set out in the pricing table for your Product.

(b) Details of the rates and charges, including any minimum spends which apply to the Products, are contained in the Terms. The minimum total cost over contract term is calculated by multiplying the minimum monthly spend by the contract term.

(c) If your usage of a Product exceeds your included value, or you use a Product that is not payable from your included value, you will be charged an amount additional to your minimum monthly spend.

(d) Unless otherwise stated in the Terms, when the applicable credit expiry period

elapses, or when your Prepaid Mobile Broadband account is recharged, any unused credit for that account is forfeited, is not refundable, and cannot be carried over to any other Product.

(e) Unless otherwise stated, if you change from a Vodafone Mobile Broadband Prepaid Product to any Vodafone Mobile Broadband Postpay Product, any unused credit from your Vodafone Mobile Broadband Prepaid Product is

forfeited, is not refundable, and cannot be carried over to your new Vodafone Product.

Billing (Postpay Products only)

(a) In your first bill, you will be charged your minimum monthly spend for the following month. Your first bill may also include a prorated amount from the date you connected to your first bill.

(b) You may choose to purchase additional Products from time to time. These charges will be applied to your bill.

(c) Paperless billing is the default bill delivery method for Vodafone customers. Vodafone will provide paper bills without charge to disabled or disadvantaged customers. Otherwise, Vodafone will not provide paper bills except in special circumstances, in which case, at its discretion, Vodafone may charge \$2.20 per paper bill.

(d) Your Included Data may appear on your bill as two separate entries (for example, for the Vodafone \$15 Month to Month Mobile Broadband Product, the 1.5GB of included data may appear on your bill as one entry of 1GB and a second entry of 500MB).
