- (b) The terms and conditions that will apply to your Product or Products are:
  - (i) all the terms and conditions provided to you when you agree to purchase a Product, including all the terms and conditions contained in this document and any terms and conditions contained in any application form you complete when purchasing a Product; and
  - (ii) all the terms and conditions contained in the Vodafone Standard Form of Agreement (**SFOA**), which is available at [vodafone.com.au](http://vodafone.com.au)  
  
(collectively, the “**Terms**”).

- (a) For data Products, a data session starts when you first connect to data services and ends when you disconnect from data services.
- (b) When using data Products, some internet services, including web sites and email, may not be accessible.

- (c) Subject to your rights under the *Competition and Consumer Act 2010* or other relevant legislation (*including the Australian Consumer Law*), Vodafone does not make any warranty regarding any software or data provided to you, including with respect to how that software or data operates on your computer or interacts with your other applications.
- (e) Unless otherwise stated, data usage is measured as the combination of both data you send (upload) and receive (download) over our network.

#### **Data service access devices**

- (a) It is your responsibility to confirm that data service access hardware (including any Modem or Pocket WiFi™ device) is compatible with each PC, laptop or other computing device that you will use your Product with (if appropriate).

- (d) The Pocket WiFi™ Pro device can operate with a maximum of 5 WiFi enabled devices at any one time.

#### **Rates and charges**

- (a) Some Products have a minimum contract term. If your contract is terminated before the end of this term, your services will end and you may also be required to pay fees, such as an Early Exit Fee or a Handset/Hardware Recovery Fee. Depending on the Product this may be in addition to any applicable handset or device payments and additional or excluded call, data or service costs. Early Exit Fees are set out in the pricing table for your Product.
- (b) Details of the rates and charges, including any minimum spends which apply to the Products, are contained in the Terms. The minimum total cost over contract term is calculated by multiplying the minimum monthly spend by the contract term.
- (c) If your usage of a Product exceeds your included value, or you use a Product that is not payable from your included value, you will be charged an amount additional to your minimum monthly spend.
- (d) Unless otherwise stated, if you do not use all your included value in the relevant month, that included value is forfeited, is not refundable, and will not carry over into any other month.
- (e) Each charge is rounded up to the nearest cent before GST is included.
- (f) All rates and charges are subject to change. We will comply with relevant regulations and industry codes with respect to such changes.

#### **Billing**

- (a) In your first bill, you will be charged your minimum monthly spend for the following month. Your first bill may also include a prorated amount for the period from the date you connected to your first bill.
- (b) You may choose to purchase additional Products from time to time. These charges will be applied to your bill.
- (c) Paperless billing is the default bill delivery method for Vodafone customers. Vodafone will provide paper bills without charge to disabled or disadvantaged customers. Otherwise, Vodafone will not provide paper bills except in special circumstances, in which case, at its discretion, Vodafone may charge \$2.20 per paper bill.
