- (a) This document sets out terms and conditions that apply to specific Vodafone contracts and products (collectively, "the **Products**").
- (b) The terms and conditions that will apply to your Product or Products are:
  - a. All the terms and conditions provided to you when you agree to purchase a Product including the terms and conditions contained in this document, terms and conditions which are available online and which are identified as applying specifically to any element of your Plan (for example, if your Product is a Red Global Plan Product or a SIM Only Global 12 Month Plan Product, Vodafone Qantas Points Terms and Conditions (or, for customers with an ABN/ACN, Vodafone Qantas Points for Business Terms and Conditions) also apply and can be found at [www.vodafone.com.au/doc/qantas-terms-and-conditions-092016.pdf](http://www.vodafone.com.au/doc/qantas-terms-and-conditions-092016.pdf) (for non-business customers) or [www.vodafone.com.au/doc/qantas-business-terms-and-conditions.pdf](http://www.vodafone.com.au/doc/qantas-business-terms-and-conditions.pdf) (for business customers) and any terms and conditions contained in any application form you complete when purchasing a Product; and
  - b. All the terms and conditions contained in the Vodafone Standard Form of Agreement (**SFOA**), which is available at Vodafone.com.au (collectively, the "**Terms**").
- (c) When you agree to purchase a Product, you accept the Terms. Your contract with Vodafone commences on your acceptance of the Terms.
- (d) Some Products have a minimum contract term. If your contract is terminated before the end of this term, you may be required to pay fees, such as an Early Exit Fee or a handset recovery fee. Depending on the Product this may be in addition to any applicable handset payments and additional or excluded call, data or service costs. Early Exit Fees are set out in the pricing table for your Product.
- (e) Activation of your Product may occur after your contract has commenced. Any minimum contract term that applies commences when your Product is activated.
- (f) For Products which are not Month to Month Products, you may suspend your contract for between 1 and 3 consecutive calendar months once during the minimum contract term. You will be charged a fee for each month your contract is suspended. Your minimum contract term will be extended by the period of any suspension. However, Products in a Sharing Group may only be suspended if they are first removed from the Sharing Group and placed on their own stand-alone account by calling 1555.
- (g) Vodafone's Fair Use Policy applies to any unreasonable use of Plan inclusions. This includes use of any "unlimited" or "infinite" offerings. See [www.vodafone.com.au/aboutvodafone/legal/fairusepolicy](http://www.vodafone.com.au/aboutvodafone/legal/fairusepolicy)
- (h) The Terms may be changed by Vodafone from time to time. Vodafone will comply with relevant laws, regulations and industry codes if it makes any such changes.
- (i) For more information, call Vodafone on 1300 650 410 or visit Vodafone.com.au

## 2. Important Things You Need to Know

### Availability

- (a) The Products are for personal or small to medium business use only, and are not available to large business/corporate and commercial customers. Large business/corporate and commercial customers should contact Vodafone for information about Vodafone's business products.
- (b) "Unlimited" or "Infinite" offerings in the Products are only for standard person-to-person national calls and standard TXT (excludes premium and special numbers) all when made within Australia. So to use these offerings all you have to do is make sure you'll be talking to another person, or using your fingers to TXT them. These offerings are not for you if you plan to do any of the following: multiple simultaneous calling, re-supply, call centre usage, telemarketing, bulk messaging, application-to-person communication, continuously call forwarding, auto-dialing, machine to machine communication (including by using your SIM in any other device), Cellular Trunking Units (CTUs), or any other activity which does not involve standard person-to person national calls and standard TXT (Non-Standard Usage).
- (c) Vodafone reserves the right to determine other activities to be Non-Standard Usage, where such activities are of a commercial nature and/or do not involve standard person-to person national calls and standard TXT that Vodafone considers to be non-standard usage.
- (d) The Products are available to credit approved customers only.
- (e) Unless otherwise stated, only one Vodafone Product can be used per connection to the Vodafone network.

### Factors affecting availability and performance

- (a) Network coverage and many other factors may affect the availability and performance of certain Products.
- (b) Certain Products services and functions are only available if used in conjunction with a compatible mobile or other device and if in a compatible coverage area. Not all devices are compatible with Vodafone networks.
- (c) Broadband service: Some Vodafone 4G, 3G+ and 3G services are mobile broadband, internet, email, apps, downloading, video streaming and video calling. You can use Vodafone 4G if you have an eligible phone plan and have been switched over to the 4G network. To use 4G and 3G+ you'll also need a compatible device and be in a selected major metropolitan area. Outside these areas, you can still get Broadband Speeds in our 3G areas with the right device. To check this, make sure your device is compatible to the network zone you are in (U2100MHz, U850MHz or U900MHz). Remember that actual speeds you reach will vary depending on things like device capabilities, location, network congestion, network coverage and if you are roaming. Broadband Speeds not available in any 2G area. See [vodafone.com.au/coverage](http://vodafone.com.au/coverage) for coverage. You agree to refer to [vodafone.com.au/coverage](http://vodafone.com.au/coverage) for coverage details and [vodafone.com.au/devicefrequency](http://vodafone.com.au/devicefrequency) for details of devices and their frequencies before purchase, so that you can confirm that for your intended use of the services, your address/es are located in the appropriate Vodafone coverage areas and that the device you wish to select is compatible with the Vodafone coverage area where your address/es are located.
- (d) If from time to time we provide additional Services in Australia, where you may Roam on a network in a Non-Vodafone Coverage Area, we may also restrict the availability or the speeds of some Services, such as Data Services, in the Non-Vodafone Coverage Area. To see the Vodafone Coverage Areas covered by the Vodafone Network please go to <http://www.vodafone.com.au/network/coverage-checker>.
- (e) The Terms contain details regarding device compatibility, network capability and availability relating to the "Vodafone" network. However, notwithstanding anything else in our contract with you, we may provide services to you using any telecommunications network we consider appropriate and that network will constitute "our network" for the purpose of the Terms. For more information about the "Vodafone" network, see: <http://www.vodafone.com.au/network>

# Terms & Conditions: Vodafone Postpaid Plans

## Sharing

- (a) All Vodafone Postpaid Voice Plans released on or after 2 September 2016 (**Eligible Sharing Products**) are able to support data sharing on one billing account (**Sharing Group**).
- (b) From 31 August 2016, when an additional Eligible Sharing Product is added to an existing Eligible Sharing Product on the same billing account the two products will automatically form a Sharing Group. If you add any Vodafone Mobile Broadband Postpaid Product to an existing Eligible Sharing Product on the same billing account, this Mobile Broadband Product will also form part of the Sharing Group and will be considered an Eligible Sharing Product for the purposes of these Terms and Conditions. A Sharing Group can have up to 10 Eligible Sharing Products, a maximum of 5 of which can be voice plans (note Red Wearable Plan Month to Month are considered voice plans for the purposes of this calculation).
- (c) The data allowances of Sharing Group will automatically combine into one pool which will be shared between eligible users on a first-in-first-served basis. For the avoidance of doubt, all non-data allowances (by way of example, international minutes or content options, if applicable) cannot be shared amongst the Sharing Group and will remain accessible only by the eligible user of each individual plan Product.
- (d) The Account Holder of an account with an active Sharing Group has visibility of the full account usage details of the entire Sharing Group, including itemized details of all call, text and data usage.
- (e) Only the Account Holder, who is the custodian of the PIN number for the account, can make changes to the account (including adding, removing or changing Eligible Sharing Products, or adding/removing any Add-Ons or Packs to the account, or purchasing hardware on the account).
- (f) Users of an Eligible Sharing Product in a Sharing Group who are not the Account Holder can:
  - a. View their personal account usage details;
  - b. View the aggregated usage details of the entire Sharing Group;
  - c. Receive Spend Alerts relating to the aggregated usage of the Sharing Group; and
  - d. Trigger excess or excluded usage charges and the Daily Charge for the \$5 Roaming service.
- (g) Users of an Eligible Sharing Product in a Sharing Group who are not the Account Holder cannot:
  - a. Access account details or personal information of the Account Holder or any other user of an Eligible Sharing Product in the Sharing Group;
  - b. Access individual usage details of any other user of an Eligible Sharing Product in the Sharing Group;
  - c. Make any changes to the account (including cancelling their service, adding or removing Add-ons or Packs or purchasing hardware).
- (h) If one Eligible Sharing Product is disconnected or ports out to another telecommunications provider then any Eligible Sharing Products remaining in the Sharing Group will continue to share.
- (i) You remain responsible for the use of all Eligible Sharing Products on your account, including all excess or excluded usage or other fees that may be incurred by yourself or other users on your account. g. If you do not want an Eligible Sharing Product to be part of a Sharing Group you can opt-out by calling 1555 or going into a Vodafone store.

## Use of the Primary Account PIN:

You will be issued a Primary Account PIN. You must keep this Primary Account PIN confidential and must not disclose the Primary Account PIN to any other party, including those who you grant access to Eligible Sharing Products connected to your account (if any). Doing so will compromise privacy across the entire range of Products connected to your account (for example, the itemised usage information (including calls, texts and data usage) of each Eligible Sharing Product may become visible and accessible by all other users in the Sharing Group if the Primary Account PIN is shared). It may also compromise the security of sensitive information such as credit card details, and will allow those with access to the PIN to, amongst other things, add, cancel or change services connected to the Primary Account and/or purchase additional hardware, which is otherwise the exclusive right of the Account Holder.

## Data Services

- (a) For Products that provide data access capabilities, a data session:
  - i) **Starts** when you begin internet activity, either directly or indirectly\* on your mobile device; and
  - ii) **Ends** when your data connection is lost. This will happen when:
    1. You turn your mobile device off;
    2. Turn data connection off;
    3. Switch to flight mode;
    4. When you lose network reception; or
    5. Your mobile device has not sent or received data for a period of time.

\*Direct internet activity is when you prompt your mobile device to send or receive data from the internet. For example: when you send an email. Indirect internet activity is when your mobile device or mobile applications are set up to send or receive data from the internet on your behalf. Examples include (but are not limited to): Email notifications via Gmail, notification of Tweets or Facebook posts which mention you and software or weather updates.

- (b) When using data services, some internet services, including web sites and email, may not be accessible.
- (c) Subject to your rights under the Competition and Consumer Act 2010 or other relevant legislation (including, but not limited to, the Australian Consumer Law), Vodafone does not make any warranty regarding any software or data provided or available to you in connection with data services, including with respect to how that software or data operates on your device or interacts with applications.
- (d) Unless otherwise stated, data usage is measured as the combination of both data you send (upload) and receive (download).

## International Roaming

- (a) Your Plans Included Data offered with any Add-Ons or Packs you have purchased, International Minutes included with any IDD Packs you have purchased, and any Additional Data allowances you have triggered can be used in Australia, on Vodafone networks. You can also use your Plan Allowance, Included Data offered with any Add-Ons you have purchased, International Minutes included with any IDD Packs you have purchased and any Additional Data allowances while ever you:
  - a. remain opted-in to Vodafone \$5 Roaming (you are automatically opted-in to \$5 Roaming upon activation however, you can opt-out at any time by calling 1555 or visiting a Vodafone store); and
  - b. are roaming in an Eligible Country.
- (b) In return for this service, when you (or, for Sharing Groups, any member of a Sharing Group) perform a Trigger Event (which includes, but is not limited to, making or receiving a call, sending a text or using any amount of data) in an Eligible Country on any given day, we will apply the **Daily Charge** to your account. For the avoidance of doubt, the \$5 Daily Charge is payable per day per service – so, by way of example, for Sharing Groups, if two members of the Sharing Group both perform a Trigger Event on the same day, the \$5 Daily Charge will be payable for **both** services.
- (c) The \$5 Roaming Daily Charge is charged in addition to your plan fees.
- (d) \$5 Roaming is limited to a maximum usage of 90 days per calendar year. We may remove Vodafone \$5 Roaming from your service if you do not comply with this condition.
- (e) If you opt-out of Vodafone \$5 Roaming, or if you are opted-in but are roaming in a country which is not an Eligible Country, you will be charged according to Vodafone Pay-As-You-Go rates which can be found at [Vodafone.com.au/roaming](http://Vodafone.com.au/roaming).
- (f) For full terms and conditions in relation to Vodafone \$5 Roaming, and for details on the Daily Charge, Eligible Countries, Trigger Event(s) and Vodafone Pay-As-You-Go rates, please go to [vodafone.com.au/roaming](http://vodafone.com.au/roaming).

# Terms & Conditions: Vodafone Postpaid Plans

## Rates and charges

- (a) Details of the rates and charges, including any minimum spends which apply to the Products are contained in the Terms. The minimum total cost over contract term is calculated by multiplying the minimum monthly spend by the contract term.
- (b) The Products feature a Plan Allowance which is made up of an Included Data allowance, an "Included International Minutes" allowance (on Vodafone Red Global Plan Products and selected Red Plan Products and selected SIM Only Month to Month and 12 Month Plan Products only) and an "Infinite" allowance (which provides you with infinite access to many (but not all) service available from Vodafone – see Section 4 below for full details).
- (c) If usage of a Product exceeds any part of your Plan Allowance, or you use a service that is not payable from your Plan Allowance, you will be charged an amount additional to your minimum monthly spend.
- (d) Unless otherwise stated, if you do not use all your included Plan Allowance in the relevant month, any remaining Plan Allowance is forfeited, is not refundable, and will not carry over into any other month.
- (e) Once your Included Data allowance (and any Included Data offered with a Data Add-on, if applicable) has been exhausted, any additional data usage in that billing month on your account will be charged in blocks of 1GB for a cost of \$10 per block (Additional Data). Additional Data blocks will be triggered both in Australia and in Eligible Countries (if you are opted-in to \$5 Roaming). There is no limit to how many Additional Data blocks you can trigger. For example, if your plan has 1GB of monthly Included Data but you use a total of 3.5GB of data in that month, you will be charged \$30 in Additional Data charges (as you have triggered 3 x 1GB Additional Data blocks). Any unused Additional Data will be rolled over for one billing month. After this it will expire and be forfeited (it cannot be transferred, exchanged or redeemed for cash). For the avoidance of doubt please note that Included Data does not rollover. Charges for Additional Data cannot be paid from your Product's Plan Allowance and will be charged on top of your minimum monthly spend. If you have a Vodafone Data Add-on Product that you purchased prior to 2 July 2014 but you sign up to a Vodafone Red Plan, a Vodafone Red Data Plan, a Vodafone Red Global Plan, a Vodafone SIM Only Month to Month Plan, a Vodafone SIM Only 12 Month Plan, a Vodafone SIM Only Global 12 Month Plan or a Vodafone SIM Only Data 12 Month Plan on or after 2 July 2014, you agree that the Additional Data rate will apply to your usage, and not any other rate for excess data that has previously applied on your existing Vodafone Data Add-on Product until that point. For the avoidance of doubt, if your account includes a Sharing Group, any member of that Sharing Group can trigger the Additional Data charge, but all Additional Data allowances will then be shared amongst the Sharing Group as normal.
- (f) Vodafone Red Global Plans and selected Vodafone Red Plan, Vodafone SIM Only Month to Month & SIM Only 12 Month Plan Products include an allowance for international calls (a Standard International Minutes to Selected Countries allowance and/or a Global Minutes to Eligible Countries allowance) which can be used to make standard international voice calls to the countries listed at [www.vodafone.com.au/internationalcountries](http://www.vodafone.com.au/internationalcountries) (see Section 4 below for details on which plans include separate allowances for international calls). The following terms apply to international calling:
  - a. If your product **does not** have a Standard International Minutes to Selected Countries allowance and/or a Global Minutes to Eligible Countries allowance, all standard international voice calls will be charged on top of your minimum monthly spend at our standard international Pay-As-You-Go rates – these rates vary per country and are subject to change, see [www.vodafone.com.au/idd](http://www.vodafone.com.au/idd) for current rates.
  - b. If your product **does** have a Standard International Minutes to Selected Countries allowance and/or a Global Minutes to Eligible Countries allowance:
    - i. All standard international voice calls are deducted from your Standard International Minutes to Selected Countries allowance and/or a Global Minutes to Eligible Countries allowance in per minute increments;
    - ii. Any un-used Standard International Minutes to Selected Countries allowance and/or a Global Minutes to Eligible Countries allowances are forfeited at the end of the billing month and are unable to be rolled over, transferred, exchanged or redeemed for cash.
    - iii. Once your Standard International Minutes to Selected Countries allowance and/or a Global Minutes to Eligible Countries allowances have been exhausted, any additional standard international voice calls in that billing month to Selected Countries (or if you at any time make a standard international voice call to a country which is not a Selected Country), will be charged on top of your minimum monthly spend at our standard international Pay-As-You-Go rates – these rates vary per country and are subject to change, see [Vodafone.com.au/idd](http://Vodafone.com.au/idd) for current rates.
    - iv. The Selected Countries and Global Minutes to Eligible Countries Countries may change from time to time. The current full list of countries can be found at [www.vodafone.com.au/internationalcountries](http://www.vodafone.com.au/internationalcountries). Vodafone will provide reasonable notice on this website of any changes to the Selected Countries.
- (g) Unless otherwise stated, Section 4 below titled "Vodafone Rates: What is Included in my Product's Plan Allowance? Specifies which services are or are not included with your included Plan Allowance and the rate at which additional and excluded services will be charged. Each charge is rounded up to the nearest cent before GST is included.
- (h) Unless otherwise stated, rates specified for services are GST inclusive.
- (i) Unless otherwise stated, call usage is billed in blocks of 60 second increments. Usage is rounded up to the end of the current increment.
- (j) Unless otherwise stated, data usage is charged in per kilobyte blocks.
- (k) All rates and charges are subject to change. Vodafone will comply with relevant regulations and industry codes with respect to such changes.

## Moving Plans

- (a) You may change from one Vodafone Red Plan Product to another Vodafone Red Plan Product or one Vodafone Red Data Plan Product to another Vodafone Red Data Plan Product or one Vodafone Red Global Plan Product to another Red Global Plan Product or one Vodafone SIM Only Month to Month Plan Product to another Vodafone SIM Only Month to Month Plan Product or one Vodafone SIM Only 12 Month Plan Product to another SIM Only 12 Month Plan Product or one Vodafone SIM Only Data 12 Month Plan Product to another Vodafone SIM Only Data 12 Month Plan Product or one Vodafone SIM Only Global 12 Month Plan Product to another Vodafone SIM Only Global 12 Month Plan Product once per monthly billing period by calling Vodafone Customer Care, and agreeing to the terms and conditions of the new Product.
- (b) You are not permitted to change from another Vodafone Plan Product to the Red Wearable Plan Product
- (c) Any credit or other benefits from your existing Product (including, but not limited to, any "Loyalty Discount" applied to your existing Product) will be forfeited, unless otherwise advised. If you are changing to a less expensive Vodafone Product (unless you are a Month to Month customer changing to a less expensive Product) or from a 12 Month Product to a Month to Month Product or from any Product to a prepay Product, fees, including an Early Exit Fee or a Plan Change Fee may apply.
- (d) If you move from one Vodafone Red Data Plan or Vodafone SIM Only Data Month to Month Plan Product or Vodafone SIM Only Data 12 Month Plan Product to either a corresponding Red Global Plan Product or a SIM Only Red Global Plan Product (as applicable), you will not receive any Qantas points or Qantas Points for Business (which are normally included in Red Global Plan Products and SIM Only Red Global Plan Products).
- (e) Any product change will take effect from the start of your next monthly billing period. Contact Vodafone Customer Care for more information.

## Billing

- (a) In your first bill, you will be charged your minimum monthly spend for the following month. Your first bill may also include a prorated amount from the date you connected to your first bill.
- (b) For accounts with a Sharing Group, only one bill will be issued to the Account Holder which will reflect all Eligible Sharing Products.
- (c) You may choose to purchase additional Products from time to time. Charges for these Products will be applied to your bill.
- (d) Paperless billing is the default bill method for Vodafone customers.
- (e) Vodafone will provide paper bills without charge to disabled or disadvantaged customers. Otherwise, Vodafone will not provide paper bills except in special circumstances, in which case, at its discretion, Vodafone may charge \$2.20 per paper bill.
- (f) For all accounts with a Sharing Group, only one bill will be issued to the Account Holder which will reflect all Eligible Sharing Products.

- (a) In order to purchase a Vodafone SIM Only Month to Month Plan Product, a Vodafone SIM Only 12 Month Plan Product, a Vodafone SIM Only Data 12 Month Plan Product or a Vodafone SIM Only 12 Month Global Plan Product (together, '**SIM Only Plans**'), you must bring your own compatible mobile device or purchase one outright from us with cash or credit card in store or over the phone at the point of sale. You cannot purchase a device under a Mobile Payment Plan (MPP) on Vodafone SIM Only Plans.
- (b) In order to purchase a Vodafone Red Plan, a Vodafone Red Data Plan or a Vodafone Red Global Plan (together, '**Red Plans**'), you must simultaneously purchase a device of your choice from Vodafone under a MPP of 12, 24 or 36 months duration. You cannot bring your own device or purchase one outright from Vodafone and sign up to a Red Plan – if you wish to do that, then you must sign up to a SIM Only plan (see section 3(a) above). Section 5 of the SFOA ("Terms and Conditions for Mobile Payment Plan and Accessories Payment Plan") sets out the applicable terms and conditions for your MPP. The following additional terms apply for Vodafone Red Plan customers (to the extent of any inconsistency between the two, the below terms shall prevail):
  - a. MPP is available for personal use only to approved customers who connect and remain connected to an active and eligible Vodafone Red Plan;
  - b. The outright price of your chosen device (as set by Vodafone at the time of purchase) will be spread in equal installments over your chosen commitment period (12, 24 or 36 months). Once selected, this commitment period is fixed (unless you elect to pay your total remaining balance in full in one installment).
  - c. If during your MPP commitment period, you cancel your Red Plan, your MPP will also be automatically cancelled and 100% of remaining MPP installments plus outstanding charges on your Red Plan will be applied to your next bill.
- (c) In order to purchase a \$10 Red Wearable Month to Month Plan Product, you must simultaneously purchase a Huawei Watch 2 from Vodafone under a MPP of 12, 24 or 36 months duration. The \$10 Red Wearable Month to Month Plan Product is not available with any other device. You cannot bring your own Huawei Watch 2 or purchase one outright from Vodafone and still sign up to a \$10 Red Wearable Month to Month Plan (you must purchase it under a MPP). Section 5 of the SFOA ("Terms and Conditions for Mobile Payment Plan and Accessories Payment Plan") sets out the applicable terms and conditions for your MPP. The following additional terms apply for Vodafone Red Wearable Plan Month to Month customers (to the extent of any inconsistency between the two, the below terms shall prevail):
  - a. MPP is available for personal use to approved customers who connect and remain connected to an active and eligible Vodafone Red Wearable Plan;
  - b. The outright price of the Huawei Watch 2 will be spread in equal installments over your chosen commitment period (12, 24 or 36 months). Once selected, this commitment period is fixed (unless you elect to pay your total remaining balance in full in one installment).
  - c. If during your MPP commitment period, you cancel your Vodafone Red Wearable Plan Month to Month, your MPP will also be automatically cancelled and 100% of remaining MPP installments plus outstanding charges on your Vodafone Red Wearable Month to Month Plan will be applied to your next bill (you cannot continue a MPP without an active and eligible Vodafone Plan).

### General Terms

  - a. The Minimum Monthly Spend is payable for each full monthly billing cycle in advance; and

- (d) For Vodafone Red Wearable Plans, Vodafone Red Plans, Vodafone Red Data Plans and Vodafone Red Global Plans, charges for your Product(s) are in addition to the minimum monthly spend applicable to your Mobile Payment Plan (see section 3(b) above for further details). For Vodafone SIM Only Month to Month Plans, Vodafone SIM Only Data 12 Month Plans and Vodafone SIM Only Global 12 Month Plans, the charges for your Product(s) are in addition to the cost of any outright device you choose to purchase from us (note – there is no charge if you bring your own device).

# Terms & Conditions: Vodafone Postpaid Plans

## Vodafone Mobile Landline Add-On

The following terms and conditions apply if you purchase the \$10 Mobile Landline Add-on. This Add-On is available to customers who are connected, and remain connected to an eligible 1) Vodafone Postpaid Voice Plan ('Voice Plan') and 2) Vodafone nbn™ Plan ('nbn™ Plan'). To find out if your plan is an eligible plan please contact us on 1555 or in store.

Product	Minimum Monthly Spend	Contract Term
Vodafone Mobile Landline	\$10	Month to Month

- a) There is no separate call allowance included with the Vodafone Mobile Landline Add-On – it simply allows you to retain your existing Fixed Voice Number (or landline) service ('FVN') for incoming calls and supports unlimited incoming calls redirected to a Vodafone Postpaid Voice service on the same account. This is achieved by way of Local Number Portability ('LNP').
- b) You will be charged for making outgoing calls via the Vodafone Network from your mobile at the rate set out in your Voice Plan details. You have the option to display your mobile number on outgoing calls. You do not have an option to display your FVN on outgoing calls. The minimum monthly spend will be charged monthly to your Voice Plan account. You will be charged from the date that the port is completed and your Vodafone FVN service is active.
- c) The minimum monthly spend will be charged on a pro-rata basis if it is purchased or cancelled part way through your account's billing cycle.
- d) You can only keep your FVN if we are able to successfully transfer or 'port' your FVN from your current service provider. We cannot guarantee that the port will be successful as your current service provider may dispute your number being ported to Vodafone. We will notify you if this occurs. We cannot port your FVN if your FVN service is not an active service (e.g. nbn™ service has not yet been activated or has been disconnected prior).
- e) You must provide us with authority to port your existing FVN either by way of the Local Number Porting Authority Form or by us recording your authority over the phone, which will be completed at the time of sign-up to Vodafone Mobile Landline.
- f) Your existing FVN service will remain active with your current service provider until we are able to successfully port your FVN. We do not guarantee that your FVN will be ported within any specific timeframe.
- g) Only your FVN (i.e. 02 XXXX XXXX) will be ported to Vodafone. This may result in the loss or disconnection of any value add or complex services such as broadband, line sharing services, fax services, call waiting, redirection, entertainment bundles, etc. that may be associated with that FVN and may result in finalisation of your account for that service. Any obligation that your current service provider has to supply the FVN service and any associated discounts may terminate after the number has been ported. If you have enquiries about your current service or the loss of any services, then please contact your current service provider until the FVN has been ported.
- h) It is your responsibility to check with your current service provider with respect to any early termination payments or other outstanding call charges, port out fees or handset or device costs that may apply as a result of transferring your FVN to Vodafone.
- i) During the process of porting your FVN, there may be a short period when the service is interrupted or not available. We will advise you when your FVN has been successfully ported and in the scenario if the port request has not been successful completed.
- j) Once your FVN has been ported, details of your FVN will no longer be available on any public number directory, unless you make a specific request for your FVN to be listed (Note: VHA has no arrangements that would allow your FVN to be listed in the public number directory products of Sensis (e.g. White Pages)).
- k) You will also no longer be able to use the landline device associated with your FVN.
- l) If you later transfer your nbn™ Plan to another service provider or cancel your nbn™ Plan then you may still retain your Mobile Landline Add-On with Vodafone. You will still have to maintain your eligible Postpaid Voice service.
- m) If your eligible Voice Plan is cancelled then this Add-On will also automatically cancel, you will be unable to port your FVN to another provider and you may lose the FVN permanently.
- n) If you later decide to transfer your eligible Voice Plan to another service provider then your existing FVN will be cancelled. It is important that you contact us before you attempt to port out your eligible Voice Plan to avoid cancellation of your FVN. We will attempt to contact you before we cancel your FVN. If your FVN is cancelled you will be unable to port your number to another provider and you may lose the number permanently.  
Cancellation of the FVN will take effect from when you tell us you wish to stop receiving the service, or if you choose to port your FVN to another provider. Depending on your billing period and when you cancel, this may include a pro-rated refund of the Add-on minimum monthly spend.
