

TERMS & CONDITIONS – VODAFONE PREPAID

1. What Terms and Conditions Apply to My Vodafone Prepaid Product?

- (a) This document sets out the Terms and Conditions that apply to specific Vodafone contracts and products (collectively, the Products).
- (b) The terms and conditions that will apply to your Product or Products are:
 - i. all the terms and conditions provided to you when you agree to purchase a Product, including all the terms and conditions contained in this document; and
 - ii. all the terms and conditions contained in this Product's Critical Information Summary; and
 - iii. all the terms and conditions contained in the Vodafone Standard Form of Agreement (SFOA), which is available at vodafone.com.au including its Fair Use Policy (collectively, the "Terms").
- (c) You accept the Terms when:
 - i. you purchase a Product or are provided with a Prepaid Pack and activate either of these by:
 - a. calling us on 1555 from your Vodafone mobile; or
 - b. Accessing our website at www.vodafone.com.au to register/activate; OR
 - ii. you activate a Product switching from a Vodafone Postpaid Product to a Vodafone Prepaid Product.
- (d) Your contract commences on your acceptance of the Terms; however, any credit expiry period does not start until you have recharged your Prepaid account.
- (e) The Terms may be changed by Vodafone from time to time. Vodafone will comply with relevant laws, regulations and industry codes if it makes any such changes.
- (f) All offer end dates, and recharge times are in Australian Eastern Standard time (AEST).
- (g) If you do not recharge your service within 120 days of your last recharge expiry date, you will lose your mobile number and Vodafone Prepaid account.
- (h) If you do not recharge your service within 90 days of your last recharge expiry date, you will lose any remaining balances in your Vodafone Prepaid account for example, My Credit and Data Bank.
- (i) Vodafone's Fair Use Policy applies to any unreasonable use of Products. This includes use of any "unlimited" or "Infinite" offerings. See www.vodafone.com.au/aboutvodafone/legal/fairusepolicy
- (j) For more information, call Vodafone on:
 - i. 1300 650 410 from any phone within Australia;
 - ii. 1555 for free from your Vodafone mobile when in Australia; or
 - iii. +61426320000 from your Vodafone mobile while roaming or visit vodafone.com.au

TERMS & CONDITIONS – VODAFONE PREPAID

2. Important Things You Need to Know

(a) Availability

- i. The Products are for personal use only and are not available to medium to large business/corporate and commercial customers. Medium to large business/corporate and commercial customers should contact Vodafone for information about Vodafone's business products.
- ii. The Products are available to eligible and approved customers.
- iii. Unless otherwise stated, only one Vodafone Prepaid Product can be used per connection to our network.
- iv. Mobile devices may be locked to our network. A fee may apply to unlock.

(b) Fair use of inclusions

- i. "Unlimited" voice and text offerings in the Products are only for standard person-to-person national calls and standard TXT (excludes premium and special numbers) all when made within Australia, or "unlimited" International Direct Dialling (IDD) offerings in the Products are only for standard person-to-person international voice calls, all when made from Australia. So, to use these offerings, you should be talking to another person, or using your fingers (or a voice-operated application) to TXT them.
- ii. These offerings are not for you if you plan to do any of the following: multiple simultaneous calling, re-supply, call centre usage, telemarketing, bulk messaging, application-to-person communication, continuously call forwarding, auto-dialling, machine to machine communication (including by using your SIM in any other device), Cellular Trunking Units (CTUs), or any other activity which does not involve standard person-to-person national or international calls and standard TXT (Non-Standard Usage).

(c) Factors affecting availability and performance

- i. Network coverage and many other factors may affect the availability and performance of certain Products, services and functions.
- ii. The factors that affect the availability and performance of certain Products and the data speeds you may reach depend on many factors, including:
 - i. network coverage;
 - ii. location;
 - iii. congestion;
 - iv. device capabilities; and
 - v. if you are roaming.
- iii. Certain Products' services and functions are only available if used in conjunction with a Vodafone approved device and in a compatible coverage area. Not all devices are compatible with Vodafone networks. You can find our list of approved devices at www.vodafone.com.au/about/legal/devices.

TERMS & CONDITIONS – VODAFONE PREPAID

- iv. If from time to time we provide additional Services in Australia, where you may Roam on a network in a Non-Vodafone Coverage Area, we may also restrict the availability or the speeds of some Services, such as Data Services, in the Non-Vodafone Coverage Area. To see the Vodafone Coverage Areas covered by the Vodafone Network please go to <http://www.vodafone.com.au/network/coveragechecker>.
- v. The Terms contain details regarding device compatibility, network capability and availability relating to the "Vodafone" network. However, notwithstanding anything else in our contract with you, in addition to the "Vodafone" networks operated by, for or on behalf of Vodafone Network Pty Limited and Vodafone Australia Pty Limited, we may provide services to you using any telecommunications network we consider appropriate and that network will constitute "our network" for the purpose of the Terms. For more information about "our" network, see <http://www.vodafone.com.au/coverage/>.
- vi. Broadband service: Some Vodafone 4G, 3G+ and 3G services are mobile broadband, internet, email, apps, downloading, video streaming and video calling. You can use Vodafone 4G if you have an eligible phone plan and have been switched over to the 4G network. To use 4G and 3G+ you'll also need a compatible device and be in a selected major metropolitan area. Outside these areas, you can still get Broadband Speeds in our 3G areas with the right device. To check this, make sure your device is compatible to the network zone you are in (U2100MHz, U850MHz or U900MHz). Remember that actual speeds you reach will vary depending on things like device capabilities, location, network congestion, network coverage or if you are roaming. Broadband Speeds not available in any 2G area. See vodafone.com.au/coverage for coverage. You agree to refer to vodafone.com.au/coverage for coverage details and vodafone.com.au/devicefrequency for details of devices and their frequencies before purchase, so that you can confirm that for your intended use of the services, your address/es are located in the appropriate Vodafone coverage areas and that the device you wish to select is compatible with the Vodafone coverage area where your address/es are located.
- vii. Vodafone Products are for use on 5G/4G/3G networks in Australia. Since mid-2020, the Vodafone 5G network is progressively being rolled out to selected areas in major cities. 5G approved device required. In non-5G coverage areas, you'll use our 4G or 3G networks. See Vodafone.com.au/5G for details.
- viii. You agree to refer to www.vodafone.com.au/coverage for coverage details and vodafone.com.au/devicefrequency for details of devices and their frequencies before purchase, so that you can confirm that for your intended use of the services, your address/es are located in the appropriate Vodafone coverage areas and that the device you wish to select is compatible with the Vodafone coverage area where your address/es are located.
- ix. Vodafone 4G services that do not support VoLTE (including 4G devices that do not support VoLTE or plans which do not include VoLTE) will use the Vodafone 3G+/3G network for voice services. While using voice services these devices will also temporarily use the Vodafone 3G+/3G network for data services.
- x. Where Vodafone 3G+/3G services are not available (eg. due to device compatibility) 4G, 3G+ or 3G devices may use the Vodafone 2G network.

TERMS & CONDITIONS – VODAFONE PREPAID

(d) Data session

- i. Data services, including Pay As You Go Internet for Data Products, a data session:
 - i. starts when you begin internet activity, either directly or indirectly* on your mobile device; and
 - ii. ends when your data connection is lost. This will happen when:
 1. You turn your mobile device off, turn your data connection off, switch to flight mode or when you lose network reception; or
 2. Your mobile device has not sent or received data for a period of time. *Direct internet activity is when you prompt your mobile device to send or receive data from the internet. For example, when you send an email. Indirect internet activity is when your mobile device or mobile applications are set up to send or receive data from the internet on your behalf. Examples include (but are not limited to): Email notifications via Gmail, notification of Tweets or Facebook posts which mention you and software or whether updates.
- ii. A minimum balance is required to start a data session
- iii. When using data Products, some internet services, including web sites and email, may not be accessible.
- iv. Subject to your rights under the Competition and Consumer Act 2010 or other relevant legislation (including the Australian Consumer Law), Vodafone does not make any warranty regarding any software or data provided or available to you in connection with data services, including with respect to how software or data operates on your device or interacts with applications.
Unless otherwise stated, data usage is measured as the combination of both data you send (upload) and receive (download).

(e) Rates and types of credit

- i. Unless otherwise stated call usage is charged in blocks of 60 seconds. Usage is rounded up to the end of the current block.
- ii. Each call made by a customer may last for a maximum duration of 2 hours, provided the customer has sufficient credit and privileges to make the call.
- iii. Each call and data charge is rounded up to the nearest cent and includes GST (where GST applies)
- iv. Unless otherwise stated, data usage is billed in per kilobyte (kB) blocks.
- v. Details of the rates and charges which apply to the Products are contained in the Terms.
- vi. Some Vodafone Prepaid Products (excluding Vodafone Prepaid Plus, Vodafone Combo Plus, Vodafone Pay and Go, Vodafone Talk and Data Combo Recharge Products, Vodafone Prepaid MyMix, Vodafone Prepaid Caps and Vodafone Prepaid Add-ons) provide you with a type of credit called "Flexible Credit." Flexible Credit can be used to purchase any of the Products listed in Section 14 "Vodafone Rates: What is payable from my Vodafone Prepaid Credit."
- vii. Vodafone Prepaid Pay and Go comes with Pay and Go Credit. Details on what this Credit can be used to purchase can be found in the table titled "Payable from Vodafone Prepaid Credit" in Section 14 below.

TERMS & CONDITIONS – VODAFONE PREPAID

- viii. Some Vodafone Prepaid Products may also provide you with additional types of credit that may be used to purchase Products. Some types of such additional credit may only be used to purchase certain Products. Types of additional credit, and the Products that such additional credit can be used to purchase, are specified for each Vodafone Prepaid Product in the sections below.

All rates and charges are subject to change. Vodafone will comply with relevant regulations and industry codes with respect to such changes.

(f) SIM, Voucher & Credit Expiry

- i. If you purchase a Starter Pack, you have 365 days after the date of purchase to activate your SIM, otherwise it will expire
- ii. If you purchase a \$2 SIM, you must recharge on this SIM to activate.
- iii. One way of recharging your Vodafone Prepaid service is to purchase a Vodafone Prepaid recharge voucher at participating outlets. These vouchers have a voucher expiry period, which is the period of time you have to activate that voucher before it is no longer valid. Vodafone Prepaid recharge vouchers have a maximum voucher expiry period of 6 months'. Failure to activate a Vodafone Prepaid recharge voucher prior to the expiration of the applicable voucher expiry period will result in the value of the voucher being forfeited and it will not be refundable or exchangeable for another Product.
- iv. Once activated, Vodafone Prepaid Products have a credit expiry period. Credit expiry periods are specified for each Vodafone Prepaid Product in the sections below.

Unless otherwise stated, if you change from a Vodafone Prepaid Product to any Vodafone "postpay" Product, any unused credit from your Vodafone Prepaid Product is forfeited, is not refundable, and cannot be carried over to your new Vodafone Product.

(g) Checking your usage

- i. Check your call, TXT and data use here and overseas at myvodafone.com.au or call us for free from your Vodafone Mobile on 1555 (when in Australia) or +61414141414 (when overseas).

(h) Automatic Recharge

- i. You can opt into Automatic Recharge when you activate your service or anytime using My Vodafone.
- ii. The plan you will be automatically Recharged on will be the same plan as your most recent recharge, and you can opt-out at any time using My Vodafone or by calling 1555.

Head to <https://www.vodafone.com.au/support/prepaid/automatic-recharge> to get more information.

- (e) Prepaid Plus Plan excludes the following services: Premium services, standard international video calls, voice calls (to non-selected countries and to selected countries after international voice minute allocation is exhausted), International TXT & PXT, 1223 Directory Assistance, 123 – Ask Us Anything, and International Roaming. These services can only be accessed with My Credit balance (See section 10 ‘Vodafone 365 Plus Recharge/My Credit’ below for more information about My Credit.)
- (f) You can recharge in any of the following channels:
 - i. Online via debit or credit card or with PayPal (via Express Recharge or the My Vodafone App.);
 - ii. Instant recharge in a Vodafone Retail store;
 - iii. Call to 1555 (credit card required)
 - iv. Recharge by TXT
- (g) Data can only be used in Australia, on Vodafone Networks.
- (h) Data usage is charged in per kB increments.

TERMS & CONDITIONS – VODAFONE PREPAID

- (i) Prepaid Plus recharges include Data Bank. Data Bank allows customers on Prepaid Plus plans to save up to 200GB unused My Data when you recharge before expiry. The following terms apply to Data Bank:
 - i. All Prepaid Plus plan recharges are eligible for Data Bank ('Eligible Plans')
 - ii. My Data is the included data of your recharge. Any other data balances you may have on your plan will not be saved to your Data Bank balance upon recharge unless explicitly mentioned.
 - iii. You will forfeit any unused My Data balance if you do not recharge before expiry. You will forfeit any unused My Data balance that will exceed the 200GB limit of Data Bank when saving any unused My Data.
 - iv. You will lose your Data Bank balance if you recharge on an ineligible plan (such as Prepaid Pay and Go), you do not recharge within 90 days of your last expiry date or your service is disconnected or deactivated for any reason.
 - v. If you move to any plan or offer with a smaller Data Bank limit, you will lose data in your Data Bank that is over that limit.
 - vi. Data Bank balance cannot be used when your recharge has expired. (i.e. Active recharge on an eligible plan is required to use Data Bank).
 - vii. Your eligible plan will automatically start using your Data Bank balance when you have used up the My Data balances on your plan within expiry.
 - viii. All unused inclusions (except for My Data and Data Bank) and allocations from your eligible Vodafone Prepaid Plus recharge Product will be forfeited, will not be refundable and will not carry over to your new Vodafone Prepaid Recharge Product.
- (j) If you change from a Vodafone Pay As You Go Recharge Product (Original Recharge Product) to a Vodafone Prepaid Combo Plus, Recharge Product before the end of the Original Recharge Product's Expiry Period, any Flexible Credit and allocations will not transfer over to your Vodafone Prepaid Combo Plus Recharge Product, however, if you change back to your Original Recharge Product before the end of your Original Recharge Product's Expiry Period, any unused Flexible Credit and allocations from your Original Recharge Product will be available again and will have the same Expiry Period as your Original Recharge Product.
- (k) The Vodafone Prepaid Plus Recharge Products are not to be used for commercial or resale purposes.
- (l) If you recharge on a Vodafone Prepaid Plus Recharge Product, you will not be able to use data from your My Credit balance on a pay as you go basis.

2. Infinite data at speeds of up to 1.5Mbps on \$30-\$60 Prepaid Plus Recharges

The following terms and conditions only apply to customers on a \$30-\$60 Prepaid Plus recharge.

- a) Vodafone Prepaid Plus \$30-\$60 Prepaid Plus recharges contain an included data allowance (My Data). Once the customer has used all of their My Data allowance and exhausted their Data Bank data, they will then have access to infinite data at speeds of up to 1.5Mbps in Australia until their recharge expires.
- b) At 1.5Mbps, you can check your socials, browse the web and stream music but is not suitable for HD video. For more info see our Speed Guide at vodafone.com.au/prepayspeed.
- c) Tethering is permitted to personal devices only (e.g. your personal laptop or tablet). However, tethering is not permitted as a substitute for a home internet service or in a modem. Further tethering is not permitted to non-personal devices (e.g. devices of members of your household or friends or colleagues). For more information, see Vodafone.com.au/speedguide.

TERMS & CONDITIONS – VODAFONE PREPAID

- d) Heavy data users may experience slower speeds than other users during busy periods. This means in periods of congestion, a heavy data user may receive lower priority on the Vodafone Network, which may result in reduced speeds compared to other users.
- e) Actual speeds you reach will continually vary depending on many factors such as device capabilities, location, network congestion, network coverage, if you are roaming or if you are a heavy data user.
- f) When being moved from My Data to infinite data or from infinite data to My Data, there may be up to 24 hour delay.

TERMS & CONDITIONS – VODAFONE PREPAID

4. Vodafone Prepaid Combo Plus

TERMS & CONDITIONS – VODAFONE PREPAID

5. Vodafone Pay and Go

This table specifies types of credit that are provided if you purchase a Vodafone Prepaid Pay and Go Recharge Product:

Recharge Product	Included Pay and Go Credit	Credit Expiry Period
\$10 Pay and Go Recharge	\$10	60 days
\$20 Pay and Go Recharge	\$20	60 days
\$30 Pay and Go Recharge	\$30	180 days
\$40 Pay and Go Recharge	\$40	365 days
\$50 Pay and Go Recharge	\$50	365 days

- (a) Vodafone Pay and Go Recharge Products do not include separate allowances for calls, text or data. All that is included as a set amount of Pay and Go credit.
- (b) Pay and Go Credit can be used on some, but not all, of Vodafone's services. Refer to Section 14, for full details on what you can use your Pay and Go Credit on, and what rates different services will be charged at.
- (c) Unused Pay and Go Credit will expire at the end of your Credit Expiry Period, unless you recharge on another Pay and Go Recharge Product before the end of your Credit Expiry Period. If you do this, unused credit will rollover (up to a maximum amount of \$250). You must maintain an active Pay and Go Recharge to retain rolled over credit. Expiry period does not rollover.
- (d) If your most recent recharge is a Vodafone Pay and Go Recharge Product, you will only be able to use My Credit (if any available on your account) to either purchase selected Vodafone Prepaid Recharge Products, purchase Vodafone Prepaid Add-Ons, Premium Services or for calls text and data while international roaming, which will be charged at our roaming rates (go to vodafone.com.au/plans/international-roaming for these rates). My Credit will only be used for calls, text and data while international roaming if there is no remaining Pay and Go Credit on your account. You cannot use My Credit on any calls, text or data while within Australia.
- (e) While in Australia, data can only be used on Vodafone Networks. Data usage is charged in 256kB increments, with the first 512kB of usage in each data session zero rated.
- (f) If you change from Prepaid Plus Recharge Product to a Pay and Go Recharge Product or vice versa, any unused My Credit will be rolled over (subject to My Credit maximum balances), and retained in your My Credit and may be used in accordance with the My Credit terms and conditions (see Section 10 – My Credit.)
- (g) Prepaid Pay and Go Recharges exclude Re-Routed Calls and Premium Voice Numbers.
- (h) The Vodafone Pay and Go Recharge Products are not to be used for commercial or resale purposes.

TERMS & CONDITIONS – VODAFONE PREPAID

6. Vodafone Prepaid MyMix

- (a) Vodafone Prepaid MyMix Recharge Product will only be available to you if your last recharge before that date was on the MyMix Recharge Product. If this applies to you, you will be able to continue to recharge on the Text & Talk Recharge Product, provided:
- i. Vodafone has not removed this Product; and
 - ii. You do not recharge on a different Vodafone Prepaid Product.
- (b) The Vodafone Prepaid MyMix Recharge Product allows you to set the amount of some of your inclusions and to choose your expiry. The final price will be based on your choice. Using My Vodafone or the online tool accessible from vodafone.com.au, you choose (from a number of set choices) how much of each of the following inclusions you would like in your plan:
- i. Calls to standard Australia numbers
