What Terms and Conditions Apply to my Vodafone Plan Product?

- (a) This document sets out terms and conditions that apply to specific Vodafone contracts and products (collectively, the “**Products**”).
- (b) The terms and conditions that will apply to your Product or Products are:
 - (i) all the terms and conditions provided to you when you agree to purchase a Product, including the terms and conditions contained in this document and any terms and conditions contained in any application form you complete when purchasing a Product; and
 - (ii) all the terms and conditions contained in the Vodafone Standard Form of Agreement (**SFOA**), which is available at vodafone.com.au,
(collectively, the “**Terms**”).
- (c) When you agree to purchase a Product, you accept the Terms. Your contract with Vodafone commences on your acceptance of the Terms.
- (d) Some Products have a minimum contract term. If your contract is terminated before the end of this term, you may be required to pay fees, such as an Early Exit Fee or a Handset Recovery Fee. Depending on the Product this may be in addition to any applicable handset payments and additional or excluded call, data or service costs. Early Exit Fees are set out in the pricing table for your Product.
- (e) Activation of your Product may occur after your contract has commenced. Any minimum contract term that applies commences when your Product is activated.
- (f) You may suspend your contract for between 1 and 3 consecutive calendar months once during the minimum contract term. You will be charged a fee for each month if your contract is suspended. Your minimum contract term will be extended by the period of any suspension.
- (g) The Terms may be changed by Vodafone from time to time. Vodafone will comply with relevant laws, regulations and industry codes if it makes any such changes.

For more information, call Vodafone on 1300 650 410 or visit vodafone.com.au.

Important Things You Need to Know

Availability

- (a) The Products are for personal use only, and are not available to medium to large business/corporate and commercial customers. Medium to large business/corporate and commercial customers should contact Vodafone for information about Vodafone’s business products.
- (b) The Products are only available to existing 3 postpaid customers who are credit approved.

- (c) Unless otherwise stated, only one **Vodafone Plan** together with a maximum of one Vodafone Bundled Mobile Broadband Product can be used per connection to the Vodafone network.
- (d) Vodafone's Fair Use policy applies to all Vodafone Products.

Factors affecting availability and performance

- (a) Network coverage and many other factors may affect the availability and performance of certain Products.
- (b) Certain Products, services and functions are only available if used in conjunction with a compatible mobile or other device and if in a compatible coverage area. Not all devices are compatible with Vodafone networks.
- (c) Some Vodafone 3G+ and 3G services are mobile broadband, internet, email, apps, downloading, video streaming and video calling. You can use Vodafone 3G+ with a compatible device in selected metropolitan areas. Outside these areas, you can still get Broadband Speeds in our 3G areas with the right device. To check this, make sure your device is compatible to the zone you are in (U2100MHz, U850MHz or U900MHz). Remember that actual speeds you reach will vary depending on things like device capabilities, location & network congestion. See vodafone.com.au/coverage for more info.
- (d) The Terms contain details regarding device compatibility, network capability and availability relating to the "Vodafone" network. However, notwithstanding anything else in our contract with you, we may provide services to you using any telecommunications network we consider appropriate and that network will constitute "our network" for the purpose of the Terms. For more information about the "Vodafone" network, see vodafone.com.au/coverage.

Data services

- (a) For Products that provide data access capabilities, a data session starts when you first connect to data services and ends when you disconnect from data services.
- (b) When using data services, some internet services, including web sites and email, may not be accessible.
- (c) Subject to your rights under the *Competition and Consumer Act 2010* or other relevant legislation (*including the Australian Consumer Law*), Vodafone does not make any warranty regarding any software or data provided or available to you in connection with data services, including with respect to how that software or data operates on your device or interacts with applications.
- (d) Unless otherwise stated, data usage is measured as the combination of both data you send (upload) and receive (download).

Rates and charges

- (a) Details of the rates and charges, including any minimum spends which apply to the Products are contained in the Terms. The minimum total cost over contract term is calculated by multiplying the minimum monthly spend by the contract term.
- (b) Vodafone Plans feature "**included value**". Included value can be used to pay for many (but not all) services available from Vodafone.
- (c) If your usage of a Product exceeds your included value or included data (as appropriate), or you use a service that is not payable from your included value

or included data (as appropriate), you will be charged an amount additional to your minimum monthly spend.

- (d) Unless otherwise stated, if you do not use all your included value and/or your included data (as appropriate) in the relevant month, that included value and/or included data (as appropriate) is forfeited, is not refundable, and will not carry over into any other month.
- (e) Unless otherwise stated, the section of the Terms titled “Vodafone Rates: What is payable from my **Vodafone Plan** Product’s included value?” specifies which services are or are not available to be paid from your included value and the rate at which additional services will be charged.
- (f) For Vodafone Bundled Mobile Broadband Products, all non-data use (eg voice calls, SMS/MMS and content) is charged in addition to your Minimum Monthly Spend. Refer to the Vodafone Postpaid Mobile Broadband terms at www.vodafone.com.au/mbbterms for further information.
- (g) Each charge is rounded up to the nearest cent before GST is included.
- (h) Call usage for Talk&TXT14 Plans and 9cTalk18 Plans is billed in blocks of 30 seconds. Call usage for Gold! Plans is billed in blocks of 60 seconds. Usage is rounded up to the end of the current block.
- (i) All rates and charges are subject to change. Vodafone will comply with relevant regulations and industry codes with respect to such changes.

Billing

- (a) In your first bill, you will be charged your minimum monthly spend for the following month. Your first bill may also include a prorated amount from the date you connected to your first bill.
- (b) You may choose to purchase additional Products from time to time. Charges for these Products will be applied to your bill.
- (c) Paperless billing is the default bill delivery method for Vodafone customers. Vodafone will provide paper bills without charge to disabled or disadvantaged customers. Otherwise, Vodafone will not provide paper bills except in special circumstances, in which case, at its discretion, Vodafone may charge \$2.20 per paper bill.
